Attention: John G. Matkowski  
888 First Street, NE  
Washington, DC 20426

Dear Mr. Matkowski:

This letter is in response to the Federal Energy Regulatory Commission (FERC) invitation to participate as a cooperating agency regarding the Preliminary Draft Environmental Impact Statement (PDEIS) for the proposed Sweetheart Lake Hydroelectric Project proposal near Juneau, Alaska.

The U.S. Army Corps of Engineers (Corps) has experienced several changes in staff and lapsed on the initial invitation. The Corps would like to affirm our role as a cooperating agency.

Mr. Matthew Brody of our Juneau Field Office has been assigned to the Sweetheart Lake Hydroelectric Project. You may contact him via email at [Matthew.T.Brody@usace.army.mil](mailto:Matthew.T.Brody@usace.army.mil), or by phone at (907) 790-4493, if you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Speerstra".
